Dear Rick,

Congratulations to the Peninsula Skating Club and its wonderful volunteers for the excellent job done by all at the 2012 U.S. Figure Skating Championships. Your extraordinary effort was evident throughout the week of Nationals. I received rave reviews from U.S. Figure Skating leadership, officials, coaches, athletes, and fans about how well organized the competition was, how well things ran, and how helpful and friendly the volunteers were. My response to all was that it was a GREAT TEAM EFFORT. U.S. Figure Skating was thrilled with the job you did and you should all be very proud. It was a great event!

All my best,
