

Hello!

Melanie Heaney Photography will be providing action photography next week at the 2023 Silicon Valley Open and U.S. Collegiate Championships in San Jose, CA.

Pre-Order Sales are now live on my [website](#)! [Click here to order](#).

Benefits of pre-ordering:

- No need to wait in line at the event!
- Use the Pre-Order discount code **SANJOSE23** at checkout to save \$5 on your order. Discount valid through 8:59pm on Wednesday, Aug 2.

Each order includes all action photos taken throughout the program—generally 75-150 photos, depending on the length of the program. One program is \$60 and additional programs are \$25 each. An additional skater in the same family gets a \$10 discount, and we max out families at \$145. This pricing applies to individual, duet, and trio events. If you have skaters in the same family competing at both SVO and Collegiates, we are treating this as the same competition, so the family pricing applies.

**NEW IN 2023: ALL PHOTOS FROM THIS EVENT ARE DELIVERED ON USB DRIVES.** You can pick up your photos about 10-20 mins after your event finishes. If you enter a mobile number on your order, we'll text you when the drive is ready if we don't see you. We have new combination drives that have both standard USB and USB-C connections.

If you'd like to see your photos first or if you think you only want a couple of photos, **please** try to visit us at our sales table at the event. You will be able to view photos about 10-15 minutes after the skater's group is over. Due to the volume of photos to process and upload and my competition travel schedule, there's a wait for online proofs, so reviewing photos **on-site at the event** is fastest!

If you have any questions or if you want me to send you a custom invoice, please don't hesitate to contact me ([melanieheaneyphoto@gmail.com](mailto:melanieheaneyphoto@gmail.com)), and I look forward to photographing you/your skater(s) this week!

Follow me on [Facebook](#) and [Instagram](#) to see highlights from my events.

Don't forget to use the **SANJOSE23** code for \$5 off your order!
